

### **Angels Den**

Funding for SMEs is harder to gain than ever before and looking for funding is proving to be a daunting, expensive and time-consuming task for many entrepreneurs. **Business Yorkshire Exhibition** and conference is offering the solution to these problems by playing host to **Angels Den** this November. The event returns to Doncaster Racecourse on 25 and 26 November, where it will showcase over 100 exhibitors, 35 business seminars, great networking sessions and the Angels Den Theatre - the place to meet the money. Last year there was an amazing £32m on offer from the 42 Business Angels, which led to seven companies receiving offers of investment. **Register now** for your chance to become one of the success stories of 2009.
